

Instructional Strategies to
Improve Student Learning Workshop
Faith Sheptoski-Forbush
2017 INCH Conference

Help bridge the gap between your child's goals and success by discovering these easy-to-follow teaching methods. Based on Marzano's *Nine High-Yield Instructional Strategies*, attendees will learn how to use projects, visual aids, cooperative learning and the learning styles assessment to meet content area expectations.

1. Identifying Similarities & Differences
2. Summarizing and Note Taking
3. Reinforcing Efforts and Providing Recognition
4. Homework and Practice
5. Nonlinguistic Representations
6. Cooperative Learning
7. Setting Objectives and Providing Feedback
8. Generating and Testing Hypothesis
9. Questions, Cues, and Advance Organizers

Find practical ways to incorporate each strategy in your child's homeschooling program. For free educational resources visit us at *ChristiansForever.com*.
